

WHO WE ARE

Springville Center for the Arts (SCA) is a rural multi-arts center. Our main facility serves as the hub for a wide range of programming including concerts, theater productions, gallery exhibits, workshops for all ages, internship and residency programs, children's summer programs, and more.

SCA has expanded over the years to include artist housing, several workspaces, and Art's Cafe—a performance space, art classroom, artist residency, and public green roof centered around a bakery-cafe.

OUR MISSION

SCA's mission is to build a culture of appreciation for the arts in our area, transforming surrounding rural communities and making them a better place to live by becoming a place where creativity thrives.
